

# 2EHDR-XXPLWR

PCB Terminal Blocks > In tape-on-reel packing

Date:2025-08-16Version:V1

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

### **Product Description**

Pitch: 5.08 mm, 300V, 15A

#### General information

| Short description                      | PCB Connector–Socket, Reflow soldering  |
|--|---|
| Category                               | PCB Connector–Socket  |
| Pitch (mm)                             | 5.08  |
| Color                                  | Black (default)   |
| Type of locking                        | Without   |
| Soldering method                       | Reflow Soldering (Temperature condition according to standard IPC/JEDEC J-STD-020E) |
| Length (mm)                            | 5.08*P  |
| Width (mm)                             | 12  |
| Height (mm)                            | 8.32  |
| Pin demensions (Thickness x Width)(mm) | 1.0x1.0   |
| PCB hole diameter (mm)                 | 1.6   |
| Number of positions                    | 02P~24P   |
| Level                                  | Single level  |
|  |   |

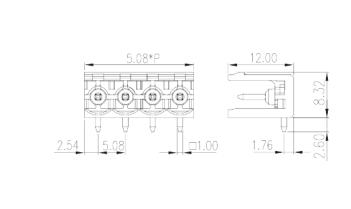

#### Material information

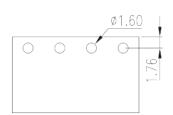

| Insulation material                                    | HIGH-TEMPERATURE PLASTICS |
|--|---------------------------|
| Insulation material group                              | IIIa                      |
| Flame retardant rating , compliant with UL94           | V0                        |
| Insulation resistance                                  | □500MΩ at DC 500V         |
| Conductor material                                     | COPPER ALLOY              |
| Plating of conductor surface                           | Tin PLATED                |
| MSL  | 1                         |
| Connection data-IEC                                    |                           |
| Rated voltage (V)                                      | 630                       |
| Rated current (A)                                      | 18                        |
| Rated voltage (II/2)(V)                                | 630                       |
| Rated voltage (III/2) (V)                              | 320                       |
| Rated voltage (III/3)(V)                               | 250                       |
| Rated impulse voltage (II/2)(KV)                       | 4                         |
| Rated impulse voltage (III/2)(KV)                      | 4                         |
| Rated impulse voltage (III/3)(KV)                      | 4                         |
| Tightening torque with flange. max (N.m)               | 0.3                       |
| Connection data-UL  Rated voltage (UL/CUL Group B)(V)  | 300                       |
| Rated current (UL/CUL Group B)(A)                      | 15                        |
| Rated voltage (UL/CUL Group D)(V)                      | 300                       |
| Rated current (UL/CUL Group D)(A)                      | 10                        |
| Environment & Safety                                   |                           |
| Finger protection (YES or NO)                          | NO                        |
| Operating temperature. max (°C)                        | 120                       |
| Operating temperature. min (°C)                        | -40                       |
| UL Recognized  |                           |
|  | 300                       |
| Rated voltage (Group B)(V)                             | 300                       |
| Rated voltage (Group B)(V)  Rated current (Group B)(A) | 15                        |
|  |                           |

### **CUL** Recognized

| Rated voltage (Group B)(V) | 300 |
|----------------------------|-----|
| Rated current (Group B)(A) | 15  |
| Rated voltage (Group D)(V) | 300 |
| Rated current (Group D)(A) | 10  |
