Barrier Terminal Blocks > Single Row

Date:2025-08-16Version:1.1

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

### **Product Description**

Pitch: 10.00mm, M4, 300V, 20A

#### General information

| Short description                      | Barrier terminal blocks , Screw connection |
|--|--|
| Category                               | Single Row                                 |
| Pitch (mm)                             | 10.00                                      |
| Color                                  | Black(default)                             |
| Connection method                      | Screw connection                           |
| Type of locking                        | Without                                    |
| Pin demensions (Thickness x Width)(mm) | 1.0X1.8                                    |
| PCB hole diameter (mm)                 | 1.4x2.4                                    |
| Level                                  | Single Row                                 |

#### Material information

| Insulation material                          | PBT          |
|--|--------------|
| Insulation material group                    | IIIa         |
| Flame retardant rating , compliant with UL94 | VO           |
| Conductor material                           | Copper Alloy |
| Plating of conductor surface                 | Tinned       |

### Connection data-IEC

| Rated current (A)   | 24      |
